O Water, because of your presence, the Atmosphere is so refreshing, and imparts us with vigour and strength. We revere you who gladdens us by your Pure essence.

O Water, this auspicious Sap of yours, please share with us, Like a Mother desiring (to share her best possession with her children).

O Water, when your invigorating essence goes to one affected by weakness, it enlivens him,
O Water, you are the source of our lives.
